Class to cover cyber breaches in HOAs

A free course will be held March 1 in Boca Raton addressing cyber breaches in community associations.

Insurance and legal experts will cover such topics as how to communicate the breach to residents and what an association's financial obligations are if a breach occurs.

The course provides continuing education credit for licensed community association managers. The instructors are Kevin Davis of Kevin Davis Insurance Services, Matt Reedy of Plastridge Insurance and attorney Lisa Magill of Kaye Bender Rembaum.

The event will be held from 11:30 a.m. to 1:30 p.m. at Plastridge Insurance, 2100 N. Dixie Highway.

Reservations are required. Send an email to Seminars@KBRLegal.com.
